

Safeguarding and Child Protection Policy

Demo document

Created by the Ascent demo content plugin for testing the website. Not a real policy.

This document has been created to show how documents look and download on the new website. It is not a real policy and must not be relied on.

When the website goes live, this file will be replaced by the version approved by the Local Advisory Board or the Board of Trustees. The approved version will show the date it was adopted and when it is next due for review.

Parents and carers can ask the school office for a paper copy of any document published on our website, free of charge.
